A word about Laci Peterson revelations: we need to be extra careful that
know from WHOM we are getting our information. There is no doubt that Mark
ragos is a skillful manipulator. That doesn't mean that he's wrong or
ceitful. But everything he tells us, or anyone else, will be to benefit his
ient. The same is true of prosecutors and Ms. Allred. We don't need to
scount what they say, but we need to be aware that it comes with attitude.

sh's G-8 trip is actually less important than his fledgling efforts to knock
gether the Israeli and Palestinian PMs' heads. Let's keep in mind that the
s contains the most obstreperous dissidents against the war on terror. Bush
s a long memory and new friends in Poland the rest of Eastern Europe. FYI:
s a city where he's landing is pronounced KRAK-ov, not KRAK-cow.
at's see how this goes.

should make use of Amy Kellogg's access to the newly refurbished St.
ersburg, celebrating its 300th anniversary. The pix should be pretty, even
it's not hard news.
